

On-farm Innovation Workshop

Farming innovations from the soil to product sales

Thursday, December 13th, 12:30 - 3 p.m.

Gospel Flat Farm ~ 140 Olema-Bolinas Road, Bolinas

**Allow 30 minutes from Point Reyes Station

PLEASE JOIN US FOR A WORKSHOP DEDICATED TO FARMING INNOVATIONS, FROM THE SOIL TO PRODUCT SALES. THE AFTERNOON WILL INCLUDE A PRESENTATION BY HOST MICKEY MURCH, FARM TOUR, AND DISCUSSION OF INNOVATIVE ON-FARM TOOL MAKING, FARM RESOURCE RECOVERY, SALES STRATEGIES, AND MORE. THIS WORKSHOP WILL INSPIRE CREATIVE PROBLEM SOLVING, CREATE TIME FOR DISCUSSION WITH FELLOW GROWERS, AND GIVE YOU THE OPPORTUNITY TO STRATEGIZE FOR YOUR OWN OPERATION.

Topics Include:

- Custom-built farm machinery and what you need to build your own
- Resource recovery and feeding the soil
- Extending seasons to bring in a year-round harvest
- Innovative marketing strategies

Register online at: http://ucanr.edu/on_farm_innovation

\$5 donation requested, payable by credit card through online registration, or by cash or check at the door. Refreshments and warm drinks will be provided.

For more information, contact Juliet Braslow at jnbraslow@ucanr.edu.
