## POLICY

### 4-H Policy and Information Update

The 4-H program affords many opportunities for young people to engage in meaningful experiences that lead to healthy and thriving adults. 4-H Members are supported by volunteers who share a deep commitment to them and support their ongoing work. One way volunteers support youth is by providing resources and material to help facilitate the learning process. Resources are secured, by and large, through fundraisers. In order to be sure that fundraisers are conducted in compliance with University of California 4-H policy, I have outlined a few things to keep in mind:

1. ALL fundraisers need to be approved by the 4-H County Office. No club, unit, council or individual is allowed to conduct a fundraiser using the 4-H name or emblem without prior approval from this office (see <http://ucanr.org/sites/UC4-H/Administration/Policies/Chapter9/> for information on how to obtain approval)
2. ALL fundraisers must have a youth development purpose associated with it. No club, unit, council or individual should raise money without an expressed purpose or goal. Fundraisers should not be for general club support unless that support is directly related to the club's (unit's) activity
3. ALL funds raised in the name of the 4-H program are the assets (property) of the University of California and therefore subject federal, state and University of California general fund development guidelines
4. Expenditure of the funds must be consistent with the intent with which the funds were raised. Monies should not be rolled over from year-to-year and accumulated unless there is some specific long-term goal for the use of the funds.
5. Funds are to support the educational goals of youth in the program, including supporting youth to attend events, programs and conferences that reinforce the learning outcomes associated with a project or experience

Please review Chapter 9: Financial Management of the 4-H Policy Manual for a more thorough understanding of the policies that govern fundraising.

## COUNTY

- **May Tong, Los Angeles County 4-H Lifetime Achievement Award Winner**  
Dawn Fuller, 4-H Program Coordinator

This year, at the Los Angeles County 4-H Leaders' Luncheon on Saturday, March 31, 2012, **May Tong**, Community Club Leader of the **Neenach 4-H Club**, was awarded the **Los Angeles County 4-H Lifetime Achievement Award**.

For 30 years May has been a 4-H leader in a variety of projects and has been the Neenach 4-H Club Leader for 26 years. While raising six kids who were all involved in 4-H in their youth, May decided to become a 4-H project leader and eventually club leader for Neenach 4-H. Neenach 4-H Club has a club leader who has been involved in 4-H longer than many of our youth have been alive!

Born in 1935 in Utah, May is no stranger to agriculture and its long historical roots in Los Angeles. When May was nine years old, her father wanted to move to the west coast to farm and escape the harsh Utah winters. He moved her mother and eight siblings to Buena Park to farm, and it was an adventure!

While growing up in Buena Park, her family raised tomatoes, strawberries, peas, cauliflower, squash, cabbage and bok choy (amongst other crops), where they sold them at the Farmer's Market in Los Angeles. May remembers working long hours alongside her brothers and sisters on the family farm and has good memories of what Buena Park was like in days of old.

May's father instilled in his kids the importance of not only hard work, but of having an education. At the age of fourteen, May's father rented an apartment in Los Angeles for the kids to live in on weekdays and go to the school in the area, while returning to the farm to work on weekends.

May met her husband, James Tong, at a city college dance in 1957 and was married in Buena Park in 1959. Six children and 55 years of marriage later, May and her husband are proud of their family and all they have accomplished.

May's children have all been 4-Hers, and she kindly decided to stay on as Neenach Club's leader long after they had graduated out of the program. May said that she wanted her kids to learn to do things themselves and be independent adults. Regarding her 4-H youth members presently in the Neenach 4-H Club, she had this to say:

***"I want these kids to become self-assured. I want them to learn to do things the right way. I want them to be able to get up and speak and to learn to be good officers. I want them to learn all about parliamentary procedure and how to run a meeting. I stay in 4-H because I want this club to stay around and kids to keep learning!"***

May also mentioned that she is thankful for the friendship and help of long-time friend, Eldora Barnes (Los Angeles County 4-H Leader for 55 years). She enjoys leading her 4-H club and leading projects in arts and crafts, clothing and textiles, leadership, and food preservation.

May deserves this special *Los Angeles County 4-H Lifetime Achievement Award* for her many years of dedication to changing the lives of youth in Los Angeles County. May, you are an asset to the Los Angeles County 4-H Program, and we thank you for your 30 years of service. We all look forward to the next 30!

- **The California Poppy**  
Dawn Fuller, 4-H Program Coordinator

The rolling hills of California can be a breathtaking sight to behold when our State Flower is in bloom - the California Poppy. Often times known as "The Flame Flower," the California Poppy - from February through September - covers many of our hills like a glowing beautiful orange and gold blanket. In 1890, the California State Floral Society selected the California Poppy as our State Flower, but it was not officially designated as such until 1903. **April 6 is California Poppy Day.**

Pulling up to the California shore in the 1800s, naturalists aboard Russian expedition boats must have been awestruck to see waves of these delightful colored four-petaled flowers waving hello when they arrived after their long and arduous journey. One of these scientific visitors was German surgeon and naturalist, Johann Friedrich von Eschscholtz and his pal Adelbert von Chamisso. Following their visit to California on the Russian ship named the "Rurik" (sometime between 1816 and 1824), Chamisso named this brightly colored treasure after Eschscholtz, calling it "Eschscholzia californica."

Of course, these orange and gold treasures were not new to California land, as they were already well in use by the tribes of local Native Americans. They used them for medicinal purposes, hair tonics and cooking. Native Americans laid poppies in the beds of children to help them sleep, as a treatment for tuberculosis, and to dull a toothache. Native American women used poppies in hair tonics they created and the pollen as a form of early make-up. Early Spanish explorers thought so highly of the flowers that they named them "Copa de Oro" (cup of gold).

The California Poppy is native to North America and can be found not only in California, but in Oregon, Washington, Nevada, Arizona and New Mexico. Now poppies can also be found in Mexico, India, Chile, Argentina, Australia, parts of Europe and South Africa. The poppies that we are familiar with are normally orange or gold, but can run the gambit from light yellow to scarlet and shades of pink and red as well.

Here are some fun facts about our State Flower:

- 🌸 The poppy is considered an herb.
- 🌸 There are 200 species of poppies.
- 🌸 Poppies were originally pollinated by beetles, but are now pollinated by honey bees.
- 🌸 A song was written about the California Poppy in 1902 called “Golden Poppies Goodnight.”
- 🌸 You must not pick California Poppies because we honor them as our State Flower.
- 🌸 Poppies thrive in poor soil and will not grow if the ground is fertile or enriched in any way.
- 🌸 Poppies can grow in sand dunes.
- 🌸 Poppy blooms close when the sun goes down or if the skies are cloudy.
- 🌸 In some areas and countries, poppies are considered an invasive, and sometimes even pesky weed!
- 🌸 The pollen of various poppies can be different colors – even blue and gray.
- 🌸 Poppies are also famous movie stars. In the film “The Wizard of Oz,” a field of poppies suddenly appears making all of the characters fall asleep, and almost prevents them from seeing the wizard!
- 🌸 Some varieties of poppy seeds are used for seasoning and in baked goods (not California Poppy Seeds though).

Poppies are a beautiful flower, and since they are our State Flower, we can celebrate **California Poppy Day** on **April 6** by visiting areas where they can be viewed. You will be able to find most poppies in bloom from February through September, depending on the area.

You can find poppies in many places in the State of California, and here are a few places close to home where you can enjoy these brilliant little flowers:

- 🌸 Along the California Interstate 5 Freeway (Grapevine, North Los Angeles)
- 🌸 The Antelope Valley California Poppy Reserve (15101 Lancaster Road, Lancaster, 93536)
- 🌸 The Antelope Valley Poppy Festival in Antelope Valley on April 21 and 22 at the Lancaster City Park (43011 N. 10<sup>th</sup> Street West, Lancaster, 93534):  
<http://www.poppyfestival.com/generalinformation.php>
- 🌸 Laguna Coast Wilderness Park (18751 Laguna Canyon Road, Laguna Beach, 92651)
- 🌸 Anza-Borrego Desert State Park (200 Palm Canyon Drive, San Diego, 92004)
- 🌸 Montaña De Oro State Park (Morro Bay):

- **2012 County Field Day results**

Noel Keller, I & R Chair

Los Angeles County 2012 4-H Field Day was held Saturday, March 24 at Mount San Antonio College in Walnut. 62 members, representing 10 clubs, participated in the event. We thank the LA County 4-H All-Stars and Junior All-Stars for all their help with the event, including helping with set up, check-in, food booth, judging, MC and the awards ceremony. We thank all the leaders, youth and staff who also helped make the event a big success. This was a sunny, great day at Mt. SAC!

Award certificates were given to all 4-H members who participated. Gold medals were given to the County Winners. Gold medal winners are eligible to enter Sectional Field Day, to be held on May 19 at Mt. SAC. - **Senior Members - Use 2011 record book forms!**

Noel Keller, I & R Chair

Senior 4-H members (age 14 by Jan. 1, 2012) need to use the 2011 version of the record book forms for their 2011-2012 record books. We had been using the 2008 version of record book forms but in September the 2011 version was released. Senior members should use these new forms. The state record book competition requires the new forms for the state competition. The 2011 record book forms can be found on the state 4-H website and the LA county 4-H website. Junior and Intermediate members can use either the 2008 or the 2011 forms this year for their 2011-2012 records books, but next year they will need to use the new forms for their 2012-2013 records. The on-line record keeping system prints out forms in the 2011 version.

- **Record Book ID Forms**

Noel Keller, I & R Chair

2011-2012 Record Book ID forms are now on the LA County 4-H website. Look for the information and forms under FORMS or APPLICATIONS. When you submit your 2011-2012 record book for the county competition, this 2011-2012 ID form is needed as the first page in the record book. If you have questions about this, contact Noel Keller ([nkeller91711@gmail.com](mailto:nkeller91711@gmail.com)).

- **Mark Your Calendar - Sectional Field Day, May 19 at Mt. SAC**

Noel Keller, I & R Chair

LA County Field Day was great and now we can start planning for the South Section Field Day to held Saturday, May 19 at San Antonio College. Everyone is invited to attend Sectional Field Day. There will be presentations, speeches, readings, a fashion show and cultural arts show to watch. You can participate in some judging events, Impromptu Speaking and Extemporaneous Speaking without pre-registration. If you earned a GOLD medal at county field day in presentations, speaking, or reading, you can go on to compete at sectional field day if you register for those events. Contact Noel Keller ([nkeller91711@gmail.com](mailto:nkeller91711@gmail.com)) about sectional field day information and Dee Keese ([swimdude64@earthlink.net](mailto:swimdude64@earthlink.net)) if you can volunteer to be a judge, MC or Room Supervisor at sectional field day. LA entries for Sectional Field Day are due April 11.

- **Attention 4-H Districts**

Noel Keller, I & R Chair

Planning for 2012-2013 At the next County 4-H Leaders Council meeting on May 12, the county council will be voting on the council officers, the council budget and the LA County 4-H Calendar for the 2012-2013 program year. Districts and individuals need to send officer nominations, budget information and dates for the next program year to Roy in the LA 4-H office or Diana Kaljumagi, the current council Vice-President as soon as possible so preparation can be done for the May meeting. If you have questions about this contact Judylynn Pelling, Noel Keller or Diana. Please put May 12 on your calendar so you attend this important planning council meeting.

- **LEADERS - it is your time for a RETREAT**

Noel Keller, I & R Chair

Get new ideas, network with other southern California leaders and learn new skills. It is not too late to register or and attend the South Section Leaders' Retreat, to be held Friday night April 13 and Saturday April 14 at the Planes of Fame Museum in Chino. The retreat includes a tour of the museum. LA County still has some \$20 vouchers to partially pay for leaders to attend the retreat. You can go Friday night and/or Saturday. For more information, go to the South Section website or contact Noel Keller ([nkeller91711@gmail.com](mailto:nkeller91711@gmail.com)). Don't miss this opportunity. The section only has a leaders' retreat every four years. This is the year.

- **On-line Record Keeping and the County Record Book Competition**

This year there is a new On-line Record Book System available to 4-H members and clubs. If a member is keeping records in this system, the member will need to print out the records for their hardcopy record book, which can be submitted to the 2012 County Record Book competition in September. Judges will not be accessing members records on-line. The record forms will need to be printed out and inserted into the member's official Record Book for judging. Contact the county office or a member of the county I&R committee if you have questions about this.

- **Junior/Teen Leader Merit Awards**

The Junior/Teen Leader Merit Award recognizes outstanding leadership by Junior and Teen Leaders. This is a reminder that 4-H members who want to apply for a Junior Leader or Teen Leader Merit Award need to be enrolled in a Leadership Project and complete a annual project report for that project. Each year some members apply for this award, but do not have a Leadership Project annual report included in their records.

To be considered for a leader merit award, the 4-H member must be enrolled in a Leadership project and complete the Annual Project Report form for the Leadership Project. The member must also complete a Junior and Teen Leadership Development Report for the program year to be considered for the award. Both forms are available on the county website under Record forms.

- **4-H Re-Enrollment (Youth fee increase)**

July 1, 2011 was the beginning of the 2010-2011 4-H program year. Each 4-H member and leader continuing in 4-H will need to log in to their family profile and re-enroll. To assist in this process, please download the "How to Re-Enroll" form from the [LA County 4-H website](http://LA County 4-H website). The 4-H Online Enrollment website is: <https://california.4honline.com/>. Remember, you must be currently enrolled to participate in 4-H and 4-H activities including fair. The enrollment fee for youth has changed. **The new fee is \$20 for youth and \$6 for adults.** If you have any questions please call Roy Hillstock at (323) 260-3854.

- **Los Angeles County, 4-H Leaders' Council**

The Los Angeles County, 4-H Leaders' Council is a group of 4-H Leaders that meets bi-monthly and organizes many 4-H activities for Los Angeles County. By sending us the dates and descriptions of events and activities that your club or project has scheduled and a contact person for that event, we can alert those donors in our database in your area of the opportunity to see their investments in action. Please forward your calendars of events including a contact person for each event to Annette Leeland at [aleeland@ucdavis.edu](mailto:aleeland@ucdavis.edu).
