

DONALD R. HODEL—BIBLIOGRAPHY.

This bibliography has two lists:

- I. Books.
- II. Complete, comprehensive, chronological list of all my publications over my career, including books.

I. Books (these are also included in the complete bibliography below).

1. Hodel, D. R. 1988. Exceptional Trees of Los Angeles. California Arboretum Foundation, Arcadia. pp. 80.
2. Hodel, D. R. 1992. *Chamaedorea* Palms: The Species and Their Cultivation. The International Palm Society, Lawrence, KS. 358 pp.
3. Hodel, D. R. 1998. The Palms and Cycads of Thailand. Kampon Tansacha, Nong Nooch, Thailand. 190 pp.
4. Hodel, D. R. and J.-C. Pintaud. 1998. The Palms of New Caledonia. Kampon Tansacha, Nong Nooch, Thailand. 119 pp.
5. McPherson, E. G., J. R. Simpson, P. J. Pepper, Q. Xiao, D. R. Pittenger, and D. R. Hodel. 2001. Tree Guidelines for Inland Empire Communities. Local Government Commission, Sacramento, California. pp. 115.
6. Hodel, D. R. and D. V. Johnson. 2007. Imported and American Varieties of Dates (*Phoenix dactylifera*) in the United States. UC ANR Publication 3498. University of California, Oakland, CA. 112 pp.
7. Hodel, D. R. 2012. The Biology and Management of Landscape Palms. The Britton Fund, Inc., Western Chapter, International Society of Arboriculture, Porterville, CA. 176 pp.
8. Hodel, D. R. 2012. *Loulu*, The Hawaiian Palm. University of Hawaii Press, Honolulu, HI. 190 pp.

II. Complete Chronological Bibliography (books, articles, reports, abstracts, technical and popular, peer-reviewed and non-peer-reviewed).

1. Hodel, D. R. 1977. Notes on embryo culture of palms. *Principes* 21: 103-108.
2. Hodel, D. R. 1980. Notes on *Pritchardia* in Hawaii. *Principes* 24: 65-81.
3. Hodel, D. R. 1982. In search of *Carpoxydon*. *Principes* 26: 34-41.
4. Hodel, D. R. 1982. Cultivated palms in Tahiti and The Jardin Botanique de Papeari. *Principes* 26: 77-85.
5. Hodel, D. R. 1982. Harold E. Moore, Jr. remembered. *Principes* 26: 135-137.
6. Hodel, D. R. 1985. Palm literature. *Principes* 29: 94.
7. Hodel, D. R. 1985. A new *Pritchardia* from South Kona, Hawaii. *Principes* 29: 31-34.
8. Hodel, D. R. 1985. *Gliocladium* and *Fusarium* diseases of palms. *Principes* 29: 85-88.
9. Jones, V. P., M. P. Parrella, D. R. Hodel. 1986. Biological control of leaf miners in greenhouse chrysanthemums. *Cal. Ag.* 40(1, 2): 10-12.
10. Hodel, D. R. 1986. Drought tolerance of selected non-irrigated trees. *Landscape &*

- Irrigation 10: 66-69.
11. Hodel, D. R. 1986. An analysis and overview of the wholesale nursery industry in Los Angeles County. University of California, Cooperative Extension, Los Angeles. 30 pp.
 12. Hodel, D. R. 1986. A needs-assessment of the wholesale nursery and floriculture industries in Los Angeles County. University of California, Cooperative Extension, Los Angeles. 38 pp.
 13. Hodel, D. R. 1987. Control of *Phytophthora* root rots in containerized nursery stock. University of California, Cooperative Extension, Los Angeles. 3 pp.
 14. Hodel, D. R. 1987. A survey of commodity movement on the Los Angeles Wholesale Flower Market. University of California, Cooperative Extension, Los Angeles. 126 pp.
 15. Hodel, D. R. 1987. Exceptional trees of Los Angeles, pp. 14-16 *in*: A. MacFail and R. Venne (eds.), Minimal maintenance landscaping, a report of the Elvenia J. Slosson Fund for Ornamental Horticulture: 1983-1986. University of California, Division of Agriculture and Natural Resources, Oakland, CA.
 16. Burger, D. W., J. S. Hartin, D. R. Hodel, T. A. Lukaszewski, S. A. Tjosvold, and S. A. Wagner. 1987. Water use in California's ornamental nurseries. *Cal. Ag.* 41(9, 10): 7-8.
 17. Hodel, D. R. 1988. Chemical vs. hand-weeding in containerized nursery stock. University of California, Cooperative Extension, Los Angeles. 3 pp.
 18. Hodel, D. R. 1988. The genus *Chamaedorea* in commerce in California. Report for World Wildlife Fund Project 3322. World Wildlife Fund, Washington, D.C.
 19. Hodel, D. R. 1988. Exceptional Trees of Los Angeles. California Arboretum Foundation, Arcadia. pp. 80.
 20. Hodel, D. R. 1990. *Chamaedorea amabilis*: An ornamental species from Central America. *Principes* 34: 4-10.
 21. Hodel, D. R. and N.W. Uhl. 1990. Two new species of *Chamaedorea* from Mexico. *Principes* 34: 58-63.
 22. Hodel, D. R. and N. W. Uhl. 1990. A new species and a synopsis of a distinctive and natural subgroup of *Chamaedorea*. *Principes* 34: 108-119.
 23. Hodel, D. R. and N. W. Uhl. 1990. New species of *Chamaedorea* from Costa Rica and Panama. *Principes* 34: 120-133.
 24. Read, R. and D. R. Hodel. 1990. Arecaceae. Palm Family, pp. 1360-1375, *in*: W. L. Wagner, D.R. Herbst, and S. H. Sohmer (eds.), *Manual of the Flowering Plants of Hawai'i*. Bishop Museum Special Publication 83. B.P. Bishop Museum, HI.
 25. Hodel, D. R. and J. J. Castillo Mont. 1990. Two new species of *Chamaedorea* (Arecaceae) from Guatemala. *Phytologia* 68: 390-396.
 26. Hodel, D. R. 1990. *Chamaedorea castillo-montii* (Arecaceae), a new species from Guatemala. *Phytologia* 68: 397-400.
 27. Hodel, D. R. 1990. Three new species of *Chamaedorea* from Oaxaca, Mexico. *Phytologia* 68: 401-409.
 28. Hodel, D. R. 1990. New species and notes on related taxa in *Chamaedorea* subgenus *Stephanostachys*. *Principes* 34: 160-176.
 29. Pittenger, D. R., D. R. Hodel, and D. A. Shaw. 1990. Relative water requirements of six groundcover species. *HortSci.* 25: 1085.
 30. Hodel, D. R. 1991. The economics and value of urban horticulture. University of

- California, Cooperative Extension, Los Angeles. 7 pp.
31. Hodel, D. R. 1991. Palms for the Southern California Landscape. University of California, Cooperative Extension, Los Angeles. 6 pp.
 32. Hodel, D. R. and J. J. Castillo-Mont. 1991. Additional new species of *Chamaedorea*. *Principes* 35: 4-8.
 33. Hodel, D. R. 1991. New species of *Chamaedorea* from Central America. *Principes* 35: 72-82.
 34. Grayum, M. H. and Hodel, D. R. 1991. Two new species of *Chamaedorea* from Panama. *Principes* 35: 135-138.
 35. Hodel, D. R. 1991. Note on *Chamaedorea tenerrima*. *Principes* 35: 138.
 36. Hodel, D. R. 1991. The cultivated species of *Chamaedorea* with cespitose habit and pinnate leaves. *Principes* 35: 184-198.
 37. Hodel, D. R. 1992. New and/or underutilized *Chamaedorea* palms with ornamental potential, p. 6 *in*: D. R. Pittenger (ed.), *Proceedings of the Landscape Management and Field Day*. University of California, Riverside.
 38. Hodel, D. R. 1992. New and/or underutilized *Chamaedorea* palms with ornamental potential. University of California, Cooperative Extension, Los Angeles. 1 p.
 39. Hodel, D. R. 1992. Size and impact of the environmental horticulture industries (Green Industries) in Los Angeles County. University of California, Cooperative Extension, Los Angeles. 2 pp.
 40. Hodel, D. R. 1992. Guidelines for irrigating plants in the landscape accurately and economically. University of California, Cooperative Extension, Los Angeles. 10 pp.
 41. Hodel, D. R. 1992. Guidelines for irrigating containerized nursery stock accurately and economically. University of California, Cooperative Extension, Los Angeles. 12 pp.
 42. Hodel, D. R. 1992. Flowering trees for the southern California landscape. University of California, Cooperative Extension, Los Angeles. 12 pp.
 43. Pittenger, D. R., D. R. Hodel, D. A. Shaw, and D. B. Holt. 1992. Determination of minimum irrigation needs of non-turf groundcovers in the landscape. Technical completion report to the University of California, Water Resources Center, Project No. UCAL-WRC-W-741. 24 pp.
 44. Shaw, D. A., P. F. Zellman, V. A. Gibeault, J. S. Hartin, J. M. Henry, D. R. Hodel, J. Kabashima, and D. R. Pittenger. 1992. Landscape irrigation system evaluation and scheduling for southern California. University of California, Riverside. 36 pp.
 45. Hodel, D. R. 1992. An update on the mineral nutrition of palms. *Pac. Coast Nurs.* 51(5): 55-59.
 46. Hodel, D. R. 1992. Tree selection guide for greater Los Angeles. University of California, Cooperative Extension, Los Angeles. 7 pp.
 47. Hodel, D. R. 1992. *Chamaedorea* palms: diverse species in diverse habitats, pp. 433-458, *in*: F. Kahn (ed.), *Palms in Tropical Forests*. Bulletin de l'Institute Francaise d'Etudes Andines 21(2).
 48. Hodel, D. R. 1992. *Chamaedorea* Palms: The Species and Their Cultivation. The International Palm Society, Lawrence, KS. 358 pp.
 49. Hodel, D. R. 1992. Additions to *Chamaedorea Palms*: New species from Mexico and Guatemala and miscellaneous notes. *Principes* 36: 188-202.
 50. Hodel, D. R. 1992. Palms in Amazonian Peru. *Palm J.* (November): 16-21.

51. Hodel, D. R. 1992. James L. Degen, long-time Palm Society member. *Principes* 36: 228-229.
52. Hodel, D. R. 1992. Economics and value of urban horticulture. *Pac. Coast Nurs.* 51(8): 67-70.
53. Pittenger, D. R. and D. R. Hodel. 1992. Minimum irrigation of landscape groundcovers. *HortSci.* 27(6): 82.
54. Hodel, D. R. and D. R. Pittenger. 1992. Responses of groundcovers to renovation by mowing, *HortSci.* 27(6): 631-632.
55. Hodel, D. R. 1992. Environmental horticulture program saves water, money. *Access* (Fall): 2.
56. Hodel, D. R. 1993. A tale of two (three?) *Neodypsis*. *Palm J.* (January): 8-18.
57. Hodel, D. R. 1993. Palms for Southern California, part 2: *Chrysalidocarpus*. *Palm J.* (May): 25.
58. Hodel, D. R. 1993. The growth of some palms in Tahiti. *Principes* 37: 127-138.
59. Hodel, D. R. 1993. Palms for southern California, part 3: *Euterpe* and *Prestoea*. *Palm J.* (July): 33-34.
60. Hodel, D. R. 1994. Quantify accurate irrigation schedules with ET data. *Cal. Lands.* Feb.: 23-25, 56.
61. Hodel, D. R. 1994. Using evapotranspiration data to irrigate containerized nursery stock accurately. *Pac. Coast Nurs.* 52(5): 39-42, 40.
62. Hodel, D. R. and D. R. Pittenger (eds). 1993. Proceedings of the Palm Management and Culture Seminar, July 15, 1993. University of California, Riverside.
63. Hodel, D. R. 1993. Uses and problems of palms in the landscape, pp. 1-7 in: D. R. Hodel and D. R. Pittenger (eds.), Proceedings of the Palm Management and Culture Seminar, July 15, 1993. University of California, Riverside.
64. Hodel, D. R. 1993. Mowing to renovate groundcovers, p. 43 in: D. R. Pittenger (ed.), Proc. Landscape Mgt. Field Day, September 14-15, 1993. University of California, Riverside.
65. Hodel, D. R. 1993. Palms for southern California, part 4: *Pritchardia*. *Palm J.* (September): 18-23.
66. Hodel, D. R. 1993. Betrock's guide to landscape palms—Book Review. *Principes* 37: 217-219.
67. Hodel, D. R. 1994. *Bismarckia*. *Palm J.* 114: 23-24.
68. Hodel, D. R. 1994. *Veitchia*. *Palm J.* 118: 32-37.
69. Hodel, D. R. 1994. A world-class palm collection. *News. Virginia Robinson Bot. Gard.* 1(2): 1, 3.
70. Hodel, D. R. and A. J. Downer. 1994. Effects of mulches on the growth of palms, p. 56, in: V. A. Gibeault and D. R. Pittenger (eds.), Proceedings of Turfgrass and Landscape Management Conference and Field Days, September 13-14, 1994. University of California, Riverside.
71. Hodel, D. R. 1994. *Bentinckia*. *Palm J.* 119: 9-10.
72. Hodel, D. R. 1994. The *Chamaedorea* research collection in Los Angeles. *Principes* 38: 153-156.
73. Dowe, J. L. and D. R. Hodel. 1994. A revision of *Archontophoenix* H. Wendland & O. Drude (Palmae). *Austrobaileya* 4: 227-244.
74. Hodel, D. R. and D. R. Pittenger. 1994. Responses of eight groundcover species to renovation by mowing. *J. Environ. Hort.* 12(1): 4-7.

75. Hodel, D. R. 1994. Palm species selection and culture, pp. 1-11, *in*: D. Shaw, D. Ephron, and S. Hooker (eds.), Proceedings of Urban Forest Management Seminar and Field Day, August 26-27, 1994. University of California, Cooperative Extension, San Diego.
76. Hodel, D. R. and D. R. Pittenger. 1994. Tree species evaluation project, pp. 63-63 *in*: V. A. Gibeault, R. L. Green, and D. R. Pittenger (eds.), First year progress report: Participation in a turf, shrub, and groundcover landscape water conservation research study. University of California, Riverside.
77. Hodel, D. R. 1995. Three new species of *Chamaedorea* from Panama. *Principes* 39: 14-20.
78. Hodel, D. R. 1995. *Pelagodoxa*. *Palm J.* 120: 9-11.
79. Hodel, D. R. and J. J. Castillo Mont. 1995. An unusual simple-leaved form of *Chamaedorea elatior*. *Palm J.* 121: 27-33.
80. Hodel, D. R. 1995. *Phoenix*, the date palms. *Palm J.* 122: 14-36.
81. Hodel, D. R. 1995. Using palms in the landscape, an aficionado's perspective. *Calif. Gard.* 86: 133-134.
82. Hodel, D. R. 1995. Heavy with the fragrance of Victorian box: Remembrances of Richard Palmer. *Palm J.* 123: 11-23.
83. Hodel, D. R. 1995. *Licuala*. *Palm J.* 123: 28-31.
84. Hodel, D. R. 1995. Palms of the Amazon—Book Review. *Palm J.* 123: 52-54.
85. Hodel, D. R. 1995. Possible street trees for coastal southern California. University of California, Cooperative Extension, Los Angeles. 11 pp.
86. Hodel, D. R. 1995. Palm species selection and culture. *West. Arborist* 21(3): 33-37.
87. Hodel, D. R. 1995. Meet Nora Martinez, curator of palms at The Huntington. *Palm J.* 124: 8-11.
88. Hodel, D. R. and D. R. Pittenger. 1995. Mow groundcovers for attractive, healthy growth. *Turf Tales* 2(3): 18-19.
89. Hodel, D. R. 1995. *Coccothrinax*. *Palm J.* 125: 15-16.
90. Hodel, D. R., and D. R. Pittenger. 1995. For healthy and attractive groundcovers: mow. *Grounds Maint.* 30(5): c-2:4:6.
91. Hodel, D. R. 1995. An ounce of prevention. *Amer. Nurs.* 182(4): 68-75.
92. Downer, A. J. and D. R. Hodel (eds.). 1995. Proceedings of Palm Tree Management II. University of California, Cooperative Extension, Ventura.
93. Hodel, D. R. 1995. Planting palms correctly for vigorous, attractive growth and fewer problems, pp. 17-23, *in*: A. J. Downer and D. R. Hodel (eds.), Proceedings of Palm Tree Management II, October, 1995. University of California, Cooperative Extension, Ventura.
94. Hodel, D. R., J. J. Castillo-Mont, and R. Zuniga. 1995. The rediscovery of *Chamaedorea donnell-smithii* (*C. seifrizii*). *Principes* 39: 137-139.
95. Hodel, D. R., J. J. Castillo-Mont, and R. Zuniga. 1995. Two new species of *Chamaedorea* from Honduras. *Principes* 39: 183-189.
96. Hodel, D. R., J. J. Castillo-Mont, and R. Zuniga. 1995. Proposal to reject *Chamaedorea donnell-smithii*, threatening *Chamaedorea seifrizii* (Arecaceae). *Taxon* 44: 233-234.
97. Downer, A. J. and D. R. Hodel. 1995. Effect of mulches on growth and establishment of three palm species, pp. 9-16, *in*: A. J. Downer and D. R. Hodel (eds.), Proceedings of Palm Tree Management II, October, 1995. University of

- California, Cooperative Extension, Ventura.
98. Hodel, D. R. 1995. Studies of nutritional needs of palms, p. 54, *in*: V. A. Gibeault and D. Pittenger (eds.), Proceedings of Turfgrass and Landscape Conferences and Field Days, September 12-13, 1995. University of California, Riverside.
 99. Hodel, D. R. 1996. Palms. *Amer. Hort.* 75(2) 32-36.
 100. Hodel, D. R. 1996. Planting palms correctly for vigorous, attractive growth and fewer problems. *Turf Tales* 3(1): 10-11.
 101. Hodel, D. R. 1996. *Hyophorbe*. *Palm J.* 127: 23-28.
 102. Hodel, D. R. 1996. Palms Throughout the World—Book Review. *Quart. Rev. Biol.* 71: 574.
 103. Hodel, D. R. 1996. *Dypsis*. *Palm J.* 130: 19-20.
 104. Hodel, D. R. 1996. Palms over L. A., conspicuous by their nature, not their numbers. *Principes* 40: 103-111.
 105. Hodel, D. R. and M. P. Binder. 1996. From inches to yards, Costa Rica's simple-leaved palms and more. *Principes* 40: 184-193.
 106. Hodel, D. R. 1996. *Ceroxylon*. *Palm J.* 131: 39-40.
 107. Hodel, D. R. 1996. Two new species of *Chamaedorea* from Costa Rica. *Principes* 40: 212-216.
 108. Hodel, D. R. 1997. Two new species of *Chamaedorea* (Arecaceae). *Novon* 7: 35-37.
 109. Hodel, D. R. 1997. An invitation to cooperate and collaborate. *Palm J.* 132: 13-14.
 110. Hodel, D. R. 1997. *Livistona*. *Palm J.* 132: 23-26.
 111. Hodel, D. R. 1997. *Acrocomia*. *Palm J.* 133: 24.
 112. Hodel, D. R., A. J. Downer, and D. R. Pittenger. 1997. Palm root regeneration, pp. 7-8 *in*: D. R. Pittenger (ed.), Proceedings of the Landscape Conference and Field Day, September 18, 1997. University of California, Riverside.
 113. Pittenger, D. R. and D. R. Hodel. 1997. Excavation of tree root barriers, pp. 20-21 *in*: D. R. Pittenger (ed.), Proceedings of the Landscape Conference and Field Day, September 18, 1997. University of California, Riverside.
 114. Hodel, D. R. 1997. *Trithrinax*. *Palm J.* 134: 18-20.
 115. Hodel, D. R. 1997. New species of palms from Thailand. *Palm J.* 134: 28-37.
 116. Hodel, D. R. 1997. Planting palms. *Grounds Maint.* 32: C10-12.
 117. Hodel, D. R. 1997. Australia's monotypic, endemic palm genera. *Palm J.* 135: 18-21.
 118. Hodel, D. R. 1997. New species of palms from Thailand, Part II. *Palm J.* 136: 7-20.
 119. Hodel, D. R. 1997. *Rhapis*. *Palm J.* 136: 23-25.
 120. Pittenger, D. R., W. E. Richie, and D. R. Hodel. 1997. Performance and quality of landscape tree species under two irrigation regimes, pp. 2-32 *in*: R. L. Green, V. A. Gibeault, D. R. Pittenger, and W. E. Richie (eds.), Turfgrass and Landscape Irrigation Studies Progress Report 1998-1999. University of California, Riverside.
 121. Hodel, D. R. 1997. A new species of *Wallichia* from Thailand. *Palm J.* 137: 8-9.
 122. Hodel, D. R. 1997. *Chamaedorea*: the exotic species. *Palm J.* 137: 19-21.
 123. Hodel, D. R., G. Herrera, and A. Cascante. 1997. A remarkable new species and additional novelties of *Chamaedorea* from Costa Rica and Panama. *Palm J.* 139: 32-44.
 124. Hodel, D. R. 1998. Palms for southern California, Part 31: The palms of New

- Caledonia. *Palm J.* 139: 8-30.
125. Hodel, D. R. 1998. Two new giant *Caryota* and additional new species of palms from Thailand. *Palm J.* 139: 51-55.
 126. Hodel, D. R. 1998. Palms for southern California, Part 32: The genus *Arenga*. *Palm J.* 140: 10-11.
 127. Pintaud, J.-C. and D. R. Hodel. 1998. A revision of *Kentiopsis*, a genus endemic to New Caledonia. *Principes*: 42: 32-33, 41-53.
 128. Hodel, D. R. 1998. Exceptional Trees of Los Angeles, ten years after. *Arboretum News*, Winter 1997/1998: 1-2, 6.
 129. Hodel, D. R. 1998. Planting palms correctly for vigorous, attractive growth and fewer problems, pp. 46-49 *in*: A. J. Downer (ed.), *Installing Landscapes—Doing It Right the First Time*, March 25, 1998, Oak View, CA. University of California, Cooperative Extension, Ventura.
 130. Pittenger, D. R., W. E. Richie, and D. R. Hodel. 1998. Performance and quality of landscape tree species under two irrigation regimes, pp. 2-35 *in*: R. L. Green, D. R. Pittenger, and W. E. Richie (eds.), *Turfgrass and Landscape Irrigation Studies Progress Report 1998-1999*. University of California, Riverside.
 131. Hodel, D. R. 1998. Palms for southern California, Part 34: The palms of Lord Howe Island. *Palm J.* 142: 9-10.
 132. Hodel, D. R. 1998. Palms for southern California, Part 35: The genus *Jubaea*, leviathan of the palm family. *Palm J.* 143: 9.
 133. Hodel, D. R., A. J. Downer, and D. R. Pittenger. 1998. Palm root regeneration, pp. 46-50, *in*: D. Neeley and G. W. Watson (eds.), *Proceedings of International workshop on Tree Root Development in Urban Soils*, March 5-6, 1998, San Francisco. *The Landscape Below Ground, II*. Champaign, IL.
 134. Hodel, D. R. 1998. Propagating palms from seeds. *Comb. Proc. Intl. Plant Prop. Soc.*: 48: 56-61.
 135. Pintaud, J.-C. and D. R. Hodel. 1998. Three new species of *Burretiokentia*. *Principes* 42: 152-155, 160-166.
 136. Hodel, D. R. 1998. *The Palms and Cycads of Thailand*. Kampon Tansacha, Nong Nooch, Thailand. 190 pp.
 137. Hodel, D. R. and J.-C. Pintaud. 1998. *The Palms of New Caledonia*. Kampon Tansacha, Nong Nooch, Thailand. 119 pp.
