

Presentation Evaluation
**Boating and Potential Spread of Marine Invasive Species:
 A New Look at Hull Coatings, Cleaning and the Environment**

Thank you for attending our presentation! We would greatly appreciate it if you would fill out this evaluation form to help us develop future presentations.

I live in: _____
CITY, STATE or COUNTRY

Date: _____

<i>I gained useful information during this presentation:</i>	<i>Yes</i>	<i>No</i>	<i>Not sure</i>
(please check one)			

<i>Based on the presentation today, I know more about (please check one for each topic):</i>	<i>Strongly Agree</i>	<i>Agree</i>	<i>Neutral</i>	<i>Disagree</i>	<i>Strongly Disagree</i>
Non-native invasive species (NIS) of concern in California					
Boating as a major vector for spreading NIS					
Different strategies for managing fouling on boats					
The influence of coatings on fouling					
Effects of copper on marine organisms					
Effectiveness of copper in controlling fouling					
The need for “companion strategies” in controlling fouling					
CA hull cleaning BMPs, and their ability to control fouling					
Frequent, gentle cleaning can prolong the life of the coating					
Adjusting hull cleaning frequency by season					
The effects of water flow & presence of NIS on fouling rate					
The need to balance boat performance, water quality, & NIS					
The importance of cleaning before leaving and returning					

<i>Based on the information presented today, I'm likely to (please check one for each topic):</i>	<i>Agree</i>	<i>Disagree</i>	<i>Not Sure</i>	<i>Only if Required</i>	<i>Already Do (Done)</i>
Apply a non-toxic coating <u>at</u> the next routine stripping					
Apply a non-toxic coating <u>before</u> the next routine stripping					
Adopt a more frequent hull cleaning schedule					
Clean my boat hull before leaving for another area					
Clean my boat hull before returning to my home port					

Please continue on back

Please put an X by all of the groups to which you belong:

- | | |
|---|--|
| _____ Recreational Boat Owner | _____ Boating Association |
| _____ Marina or Yacht Club Manager | _____ Trade Association Manager |
| _____ Boat Repair Yard Company | _____ Environmental Organization |
| _____ Paint/Coating Company | _____ Underwater Hull Cleaning Company |
| _____ Port or Harbor Authority Commissioner | _____ Port or Harbor Authority Staff |
| _____ Other Elected/Appointed Official | _____ Other Government Agency Staff |
| _____ University Researcher | _____ Consultant |
| _____ Other:_____ | |

What information, if any, did you not receive during the presentation that you feel would be useful?
Please be specific.

Other comments or suggestions?

THANK YOU!
