

4-H members may participate in projects offered by a neighboring club, county or state if the primary club does not offer the 4-H project a member is interested in. The community 4-H club and project adult volunteers in both clubs and 4-H Youth Development Program (YDP) staff in all counties and states involved must approve the participation.

It is the responsibility of the 4-H member and their parent/guardian to acquire the signatures of the home and host community 4-H club and project adult volunteers.

The completed request/agreement form must be returned to the home county 4-H office for verification and approval. The county 4-H YDP will contact the host county 4-H staff for approval.

This agreement requires that the 4-H member and member's parent/guardian, 4-H adult volunteers and staff agree to the following:

1. 4-H YDP staff reserve the right to reassess all previously granted approvals for membership allowing project across club, county or state lines when the 4-H program year begins, July 1.
2. Official 4-H enrollment is in the home county. Entry into competitive events is limited to those available to members in the primary club and county. (Example: showing at a fair in the host county is not permissible unless the fair is open to members from another county.)
3. Acknowledgement of the reasons for the cross club, county or state 4-H club project participation.
4. The 4-H member agrees to follow the constitution and bylaws of the host county and 4-H club as it pertains to project completion and participation.
5. The 4-H member agrees to meet the requirements for participation and completion of the host club project.
6. The 4-H member must be enrolled in at least one project in the home 4-H county and 4-H club.
7. Project records will be checked and signed by the host 4-H club project leader and turned into the home 4-H club leader.
8. Transportation to the project meetings and activities is the responsibility of the member and their parent/guardian.
9. The 4-H member agrees to follow the policies and procedures of the host state 4-H YDP.
10. If the host club is in another state, additional enrollment fees and forms may be required.
