Marin County Fish and Wildlife Commission

The Fish and Wildlife Commission advises the Board of Supervisors on expenditures of funds obtained through fines levied for fish and wildlife violations in Marin County. The funds are designated to enhance fish and wildlife resources in the county and for public education. Grant proposals submitted to the Commission Chair are reviewed during the first quarter of any calendar year and recommended on a competitive basis and availability of funds. If approved by the Board of Supervisors, funding becomes available by fall of the same year. The commission can also provide letters of endorsement for projects seeking alternative sources of funding. The commission sponsors an annual barbecue (September 18, 2014) for grantees and community groups.
