11/19/2015	L	2	<p>Fun In Front The Wasson's Home Salinas, California</p> <p>When we first got to the meeting we went over what we were going to accomplish in this particular project. The main goal of this project was to become a better public speaker. After we talked about the goals we moved on to talking about the different kinds of presentations, such as, Demonstrations and Illustrated Talks; Scientific Demonstration and Illustrated Talks; Educational Display; Prepared Speech; Interpretive Reading; and Impromptu Speaking, Share the Fun, Cultural Arts, Audio-Visual Presentations and Problem Solving Presentations. We were then presented with some examples of the different kinds of demonstrations. Since this project is about public speaking each participant had to stand up and say their name, age, grade, and a fun fact about themselves. We then thought about which kind of presentation we wanted to do. Our homework was to finalize our decision and also to choose a poem or written paragraph to memorize and present at the next meeting.</p>
12/10/2015	L	2	<p>Interpretive Reading SBMS Library Salinas, California</p> <p>When the meeting started we each presented our Interpretive Reading. I chose a Christmas Poem. After each person</p>

			finished the audience would give constructive criticism on how they could have done better or engaged with the audience. I was told that I should not freeze like a statue, but that I should move around a bit. We then read over a skit that we planned on performing in front of the club at our next meeting. Our homework was to work on our presentation projects and to have a rough draft by the next meeting.
12/15/2015	L	.5	<p style="text-align: center;">Skit Night SBMS Salinas, California</p> <p>We presented our skit, "The Cowboy Christmas", at the club meeting (Interpretive Reading). We had a lot of fun presenting it.</p>
1/31/2016	L	1	<p style="text-align: center;">In and Out Meeting with Mrs. Vorwerck</p> <p>Mrs. Vorwerck and I met to look over and discuss the rough draft of my presentation. She made a few suggestions and we made some changes. My presentation was ready to be transferred to the boards for County Presentation Night.</p>
3/4/2016	C	2	<p style="text-align: center;">"Which Wool You Choose?" County Presentation Night Gonzales, California</p> <p>I was first in my group to present. When I got up to the front I was very nervous, but I overcame my fears and just started to talk. I presented everything from the muscle structure to the health of a sheep. When I finished the audience asked a few questions, of which, only one of them I could not answer. Scott Violini shared the answer with the group, and therefore I learned something new that night also.</p>

If another member was thinking about taking this project next year, what would you tell them about what can be learned in this project?

I would tell them that you could learn a lot of valuable skills to become a better public speaker and you also learn a lot about other people by their presentations.
