

SAFE POWER SANDER PRACTICES

Use what you have learned about safe power sander practices to fill in the missing word in each of the below statements:

1. Do not _____ on the power cord to disconnect the sander.
2. Firmly hold the sander by _____ both handles.
3. Always turn the sander on before placing it in _____ with the work stock.
4. Avoid pushing _____ on the sander to reduce the possibility of sander or work stock kickback.
5. Before using, always inspect the power sander for _____ or disrepair.
6. Keep the sander _____ cord away from the sanding work stock.
7. Where possible, secure work stock with a vise or _____.
8. While _____, keep your hands and fingers clear of the sanding belt, pad, or disc.

Note: Each underline dash represents one letter of the missing word.
