COMPUTER SCIENCE GROWS HERE

#4HCS

Saturday April 7th

4-H Computer Science (CS) Pathway Training

Saturday, April 7th, 2018, 9:00 am to 4:00 pm

@Googleplex, Mountain View, CA (You must register before the event)

Who should attend? Youth (13 and up), 4-H staff, 4-H volunteers, prospective 4-H volunteers, after school program professionals

Registration Fee: $20.00 (fee includes light refreshments and lunch)

Register before March 23rd at: ucanr.edu/cspathwaytraining

At this training you will:

- Increase your knowledge and confidence to implement a CS Pathway Program in your youth program for children from 3rd grade and up.

- Learn how to promote youth voice, influence, and shared decision making to implement a CS Pathway Program.

- Increase your exposure to the possibilities for implementing a CS Pathway Program.

For information, contact Claudia Damiani: csdamianifontana@ucanr.edu (Se habla español)
