It took team work!
Lots of team work!

Thank you to all who help make our Tomato Sale a success!

We had great leadership, dedicated tomato team chairs, and countless master gardeners who helped in the process.

We can't forget to thank the support of the public who came to buy our tomato plants. Thank you!

Not all but most of the "Day of Tomato Sale" Team.

Tomato Plant Sale Publicity & Marketing Team!

We advertised through our website, Facebook, Nextdoor, our Workshops, Master Gardener's word of mouths, Tomato Sale Bz Cards, and Flyers,

We purchased new lawn signs, car signs, and banners.

We had many articles and a sticky note ad in the Register.

All of this combined with our loyal return customers and a positive reputation for having wonderful tomato plants led to a record breaking event.

Success - Job Well Done!
