Fantastic 4-H Field Day 2019

Livestock Judging

Contest

Hosted by Chualar 4-H

The purpose of Livestock Judging is to give 4-H members the opportunity to exhibit their animal evaluation skills. This year, they will judge a class of market lambs, market swine, market beef, and market goats. Study guide: http://cemonterey.ucanr.edu/4-H_Program/Curriculum/Resources/

Requirements

- The judging event is open to all 4-H members ages 9-19. Members can choose to be scored to compete or just try for fun. Cloverbuds may participate and will not be scored.

Format

- Each member will be given a colored judging sheet and pencil.
- The member must put their name, age and club name on their judging sheet.
- All members in each rotation will watch the same four 5-minute videos (1 market lamb & 1 market swine, 1 beef, and 1 market goat class).
- All animals are marked with the number 1, 2, 3, or 4.
- Members are to place the animals from 1st through 4th. Then put an 'X' on the judging sheet next to the animals number order that represents the correct placing. (ie, if 1st place is pig #2, 2nd place is pig #3, 3rd place is pig #1, and 4th place is pig #4; this would be represented as 2-3-1-4 on your score card)

Scoring

- The individuals who compete and with the highest overall score, and within each specie, will be mentioned during the award ceremony.
- 1st through 3rd place certificates will be given to the highest scoring club teams. (Teams will consist of the 4 highest scoring members in a club. Must have at least 4 members in a club participate to count towards the team score).
- Individual Gold medal cuts are determined after all scoring is complete.

Monterey County Leader's Council

February 14th, 2019

Dear Chualar 4-H club,

On behalf of the Monterey County Leader's Council, I would like to thank your club for their outstanding efforts in making Fantastic 4-H Field Day a success.

Your club's commitment to providing a county-wide Livestock Judging Contest was appreciated by all. Over 65 members signed in and took part in the day.

It is very important that the club committee critiques their role so the County

Council knows the areas where we can all improve. Also, be sure to document **any expenses** they think should be covered for next year in the area they volunteered for.

Please return the binder with all correspondence, forms and other related information. This committee information will be posted on the 4-H website for historical purposes.

I am available by phone to talk about any concerns or ideas but would like all forms turned in to me by February 19th. Please be prepared to give a report to the February 19th County Council meeting.

Thank you again for your time and efforts,

Hana Ferguson, 1st Vice president

Cc: Carla Ackerman, King city Rural Club

Fantastic 4-H Field Day 2019 Committee self-critique
Please use this form to encourage your Field Day committee to self-critique your role at Fantastic Field Day. This will ensure changes, modifications, new ideas and corrections are in place for next year. Please return by February 19th.

Monterey County Leader's Council

this back page to review your club's thoughts on area they volunteered for that could be improved, changed, re-worked or modified. You could also comment on food and entertainment ideas.

Doing the videos where all 4 animals are shown at once makes the time go faster instead of showing each of the animals individually. Contact Angie Horwath (a.horwath@sbcglobal.net) if you get this event in 2020 and would like new videos for each of the 4 species. I already have them for next years event with scoring and cuts and they haven't been seen by any youth members
