

Sometimes you have to get dirty when you #DigDeep on #BigDigDay!

UC ANR's first-ever Big Dig Day is tomorrow! Join us at midnight and be the first to give—or visit us anytime tomorrow as we highlight the impact of our programs across the state.

Make your gift then share your excitement on social media using #BigDigDay and #DigDeep or call a friend to let them know what's happening.

Our goal for Big Dig Day is to inspire 300+ Californians to give. We hope you're one of them!

**Remember, every gift counts.**
