

## Dry Bean Field Meeting

UC Davis

Friday, August 16, 2019, 10 am- 12:00 pm

UC Davis Agronomy Farm

**Directions to the UC Davis Plant Sciences Field Facility:** **Note: this is a different location from previous years:** From Hwy 113 in Davis, exit on Hutchison Drive. Go west, and head straight through the first roundabout, then turn left at Campbell Road. The gate to the bean fields will be on your right about 1,300-ft down Campbell Drive, just *before* you come to the reservoir on the left side of the road and the intersection with Garrod Drive.
