

# AG WATER QUALITY ONLINE COURSE

## For Farm Bureau Members

1. Create an account with eXtension Campus to access the course.

2. Start by visiting the log in page here:  
<https://campus.extension.org/login/index.php>

### Why do I have to make an account?

[Campus.eXtension.org](https://campus.extension.org) is the new home for *all* UC ANR Online Training Courses. Once an account is made you will have access to a wealth of online courses and learning opportunities for the present and future.

We understand making a new account can be a hassle, but we hope to ease this process the best we can by providing these simple step-by-step instructions.

## STEPS TO CREATE AN ACCOUNT - 2 OPTIONS

- > Click **Create New Account** for **OPTION 1**.
- > **Or** if you have a **@gmail.com** email (or *Microsoft Account*), use **OPTION 2**.

The screenshot shows the eXtension Online Campus login page. At the top right, there is a 'Log In' button. Below the navigation bar, the page title is 'eXtension Online Campus'. The main content area has a 'Log in' heading and a 'Create new account' button. The login form includes fields for 'Username / email' and 'Password', a 'Remember username' checkbox, and a 'Log in' button. There are also links for 'Forgotten your username or password?' and 'Log in as a guest'. To the right of the login form, there are links for 'Log in using your account on:' with buttons for 'Google' and 'Microsoft'. Red arrows and text labels 'OPTION 1' and 'OPTION 2' are overlaid on the image to indicate the steps.

# OPTION 1

1. [Click HERE to Create New Account.](#)

Create new account

3. Click "Create my new account" at the bottom once you are finished filling out the form.

Create my new account

Cancel

2. Fill out the required information \*

New account

Choose your username and password

Username \*

Password \*

More details

Email address \*

Email (again) \*

First name \*

Last name \*

City/town

Country United States

Demographics

State \* Choose...

County (enter "NA" if not a U.S. resident) \*

Post or Zip Code (enter "NA" if not a U.S. resident) \*

Are you an Extension or USDA employee? \*

If not an Employee select NA from this list; otherwise select your institution's email domain (the part before ".edu" or ".gov.") \*

Hi Your Name, A new account has been requested at 'eXtension Online Campus' using your email address. To confirm your new account, please go to this web address:

<https://campus.extension.org/login/confirm.php?data=I5oI0qZPiXbAlfz/>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then copy and paste the address into the address line at the top of your web browser window. The address should start with "https" and end with the username you entered. If you need help, please contact [campushelp@extension.org](mailto:campushelp@extension.org).

## OPTION 2

Log in using your account on:

If you already have a Google (@gmail.com) or Microsoft Account, you can use it to create a Campus.eXtension account.

Example of Sign In page:

Choose an account  
to continue to [extension.org](https://extension.org)

  **Your Name**  
youremail@gmail.com

To continue, Google will share your name, email address, language preference, and profile picture with extension.org.

1. Click the appropriate button for your existing Google/Microsoft account.

2. Sign in, fill in any missing information required.

3. Submit form to create new account.

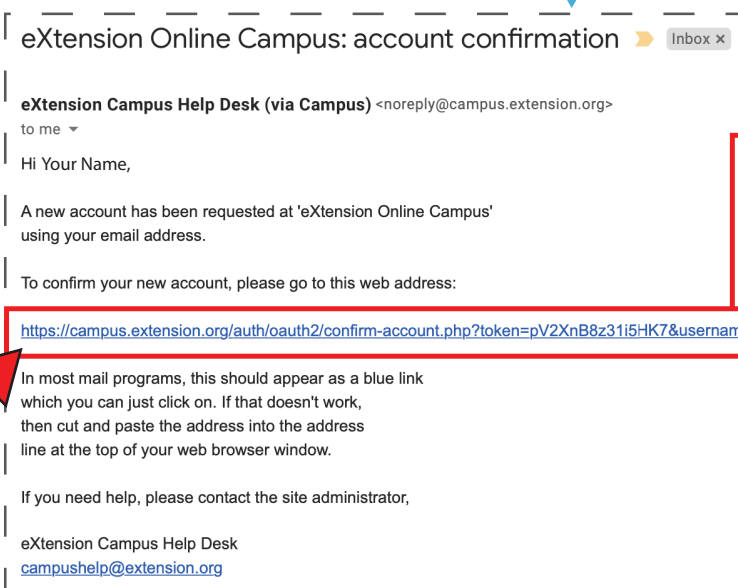

## IMPORTANT!

4. Check your email 'Inbox for an email from "eXtension Online Campus"

Click on the URL provided in this email to verify your new account.

You will then be logged into your account and can enroll in the course.

Example of verification email:

# ENROLLMENT INSTRUCTIONS

> Once you have created your eXtension account *AND* you are logged into your account on [campus.eXtension.org](https://campus.eXtension.org):

**1. Click this link for Water Quality course page:**

<https://campus.extension.org/enrol/index.php?id=1699>

## Enrollment options

### [Agricultural Water Quality Continuing Education Course](#)

Teacher: Laurent Ahiablame

This course is written for, and specifically aimed at, growers in the San Diego Region, to meet two-hour training requirements to attain compliance of the agricultural Waste Discharge Order for this region. The certification is not good for any other region.

By taking this course, students will learn water quality issues, pollution prevention strategies, and best management practices designed to improve water quality.

For more information please contact:
