

Registration is now open!

Spray Application Pest Management Alliance Airblast Sprayer Calibration Training

Tuesday, February 25, 2020, 7:30 AM-4 PM
Micheli Family Farms, 6005 CA-99, Live Oak, CA 95953

Register at:
ucanr.edu/SprayAppYuba
****Pre-registration is required!****

\$20 registration fee includes: hands-on training, coffee, lunch, and refreshments

Join us for this all day, hands-on program for people who make on-farm decisions regarding airblast spraying. This includes farm owners, managers, foremen, and pest control advisors.

Attendees will receive training on:

- Basic sprayer calibration
- Spray coverage
- Drift management
- Safe spraying

Personal protective equipment (PPE) will be provided to all attendees.

DPR Continuing Education credits have been applied for:

- 6 hours of “Other”
- 0.5 hours of “Laws”
