

ACUSD Meal Service Update 4/6/2020 and 5/5/2020

Please remember that social distancing is still in effect. Student's do not need to be present to pick up food. You can also ask staff about food boxes from Interfaith Food Bank.

The Amador County Unified School District Food Service program will provide an opportunity for families to drive through and pick up meals for the children in their family at a number of school sites during the school closures.

Please note the following updates: children no longer need to be present when picking up meals. The following schools will provide a lunch for that day and a breakfast for the following day. **Starting Monday, March 23, 2020 and continuing through the duration of a school closure associated with the Coronavirus pandemic, sack lunch meals will be available Monday through Friday between 11:00 AM and 1:00 PM.**

Friday, April 10 and Monday, April 13, 2020 are holidays. Meal services will not be available, as all employees will be on a well-earned break. Families who would like can request student double meals on Thursday April 9th to get them through the 10th. On Monday, April 13 we will not be offering meal service that day but will resume normal meal delivery on Tuesday, April 14, 2020. We urge families to check in with the local Interfaith Food Bank, or ask about the food bank boxes when you pick up meals from ACUSD Food Services at school sites.

***GET IN LINE to access meals.**
