UCCE Master Gardener Program

Replanting After the Trees Die

Advanced Tree Mortality Training for UCCE Master Gardeners

This training is designed to give UCCE Master Gardener volunteers an in depth understanding of tree mortality in the Sierra Nevada. The training will provide information and resources to help Master Gardeners answer questions from the public about replanting after tree mortality. Attendees will receive resource materials and PowerPoint presentations that can be customized and used for teaching public education classes on this important issue.

October 20th, 2017

Oakhurst, CA

39696 Highway 41,

Sierra Vista

Presbyterian Church

9:00 a.m. to 3:00 p.m.

Topics will include: forest ecology , bark beetles, forest succession, climate change, reforestation, nursery stock, and land owner assistance programs.

There is no cost for UCCE Master Gardeners. For others, the cost is \$40. Lunch and materials will be provided.
