Hello,

I am so excited to share the registration for this year's Butte County 4-H Camp on behalf of Camp Director Bill Anderson, and his team of teen counselors.

This year, our campers will experience four days of beach themed fun led

by our camp staff that worked hard to make sure this day camp would retain many of our traditions from Camp Rockin' U.

Camp will be a day-camp and will take place Monday June 28th through Thursday July 1 at Durham Park.

Each day will run from 10am - 3pm.

Monday will feature a trip to the Durham Pool. The week will be filled with many of the same traditions campers are used to at Rockin' U including crafts, recreation, "cabin" groups, campfire, skits, and a ton of FUN!

The cost for campers is \$35 which includes the four days of camp, four lunches from local restaurants, a camp t-shirt, and a unique camp experience!

\*The camp fee was previously advertised as \$59 but it is officially \$35 due to the generous contribution of the Butte County 4-H Council.

Please let me know if you have any questions!
