APRIL 24, 2021
9 AM - 11 AM
VIA ZOOM

Free and open to all enrolled 4-H members who pre-register. Space is limited. There will be drawings for special prizes throughout the event.

It is the policy of the University of California (UC) and the UC Division of Agriculture & Natural Resources not to engage in discrimination against or harassment of any person in any of its programs or activities (Complete nondiscrimination policy statement can be found at <http://ucanr.edu/sites/anrstaff/files/215244.pdf>)

Inquiries regarding ANR's nondiscrimination policies may be directed to John I. Sims, Affirmative Action Compliance Officer/Title IX Officer, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1397.

Hello 4-H families,

The annual 4-H **Animal Field Day** will be held virtually on Saturday, April 24th, 2021 starting at 9am. See attached flyer. The registration link is: <https://ucanr.edu/survey/survey.cfm?surveynumber=33546>

This event brings experienced speakers and creates a valuable educational session for your 4-H members. You are strongly encouraged to make this event a livestock Project meeting in which members can learn on any number of topics. This day will include Swine, sheep, beef and rabbits.

To clarify, to make this a 4-H Project meeting with educational hours that count towards *Project Completion*, a 4-H livestock Project Leader or Co-Leader must be at the event as well. Please take attendance as you normally would during this virtual event. In regards to instructional hours, a leader would count the time spent on the appropriate species topic that is related to your project. For the Veterinary Science projects, all hours could be counted.

For these events to be used a “make up” meeting, a Project Leader or Co -Leader would need to be present and attendance taken.

The Chualar 4-H club is the Animal Field Day hosting club and will provide all registration support.

If you need additional information of the Animal Field Day or other 4-H matters, please contact the 4-H offices at 759-7386.
