- Eat three healthy meals a day (breakfast, lunch, and dinner); it is important to remember that dinner does not have to be the largest meal.
- The bulk of food consumption should consist of healthy foods, such as fruits, vegetables, whole grains, and fat-free or low-fat milk products.
- Incorporate lean meats, poultry, fish, beans, eggs, and nuts ~~(with emphasis on beans and nuts)~~ into a healthy diet.
- Choose foods that are low in saturated **fats IQ**, trans fats, **cholesterol**, salt (sodium), and added sugars; ~~look at the labels because the first listed items on the labels comprise the highest concentrations of ingredients.~~
- Control portion sizes; eat the smallest portion that can satisfy hunger and then stop eating.
