Club Community Meetings: How do you feel about the virtual community club meetings?

16 responses

Not our favorite. But we understand.

They're fine

I'd rather be in person, but the club is doing a good job with virtual meetings.

Hard on kids but we have no choice right now

I like them and they go quick

I love the slide show with music they played before the meeting starts. It gives you something to look at. Very well done.

The leadership is doing great!!! The best they can. No one wants it like this, but you all are working so hard to make it great.

they are okay. but I think they would be more fun if we were together.
