

## Checklist - Helping People Start Strong Within UC ANR

### Why Help People Connect and Start strong?

1. People have greater job satisfaction when they feel part of a wider supportive community.
2. People work more efficiently when connected which increases the impact of our work.

Visit and revisit this list – especially over the first few months.

**Major Resources.** Check out the UC ANR web resource:

- [Learning and Development](#)

Your one-stop skill resource site.

**Be Proactive - Reach out**

**Most people are very happy to help.**

**Success = Impact. Impact takes time and connections.**

## Checklist to help Build Success: Help colleagues start strong - Connect and thrive.
