Unfinished Business:

- **Fair**
 - Any suggestions...maybe one or more leaders can take to a board meeting?
 - Instead of just radios in each barn also have a buyers list to whomever has the radio. Worked out well
 - Runners are also always needed at the Auction.
 - Water was a concern, Bowman was constantly the only club making sure water was put into the ice tubs (Thank you Bowman parents). Suggestion of going back to club sign up

time slots for this. Also the water needs to be “stored” in some sort of shade, maybe a popup.

- Pictures for animals, talk about having this as a 4-H project in some areas that can be done, perhaps with the help of Michelle Hickok and maybe having Rabbits and Chicken pictures taken near the Ron Knight building and having Jolene Junge help with that.
- One Concern; really having the Vets do a proper vet check as the animals are unloaded.
- Timing? Sheep show seemed rushed due to time for parade of champions.
