**Oak Woodland Restoration and
GSOB Management Workshop**
Hosted by UC Cooperative Extension San Diego
September 20 and 27, 2022

Oak Woodlands and Oak Restoration

- UC Oaks (formerly the Integrated Hardwood Range Management Program) free downloadable resources: "A Planner's Guide for Oak Woodlands," "Regenerating Rangeland Oaks in California," "Economic Contribution of California's Forestry Sector" and more at https://oaks.cnr.berkeley.edu/resources/publications/
- Acorn Notes on planting acorns and propagating oak seedlings https://ucanr.edu/sites/gsobinfo/files/161811.pdf
- US Forest Service Fire Effects Information System, life history and propagation of three host oak species of GSOB:
  - Coast Live Oak (*Quercus agrifolia*) at https://www.fs.usda.gov/database/feis/plants/tree/queagr/all.html
  - Canyon Live Oak (*Quercus chrysolepis*) at https://www.fs.usda.gov/database/feis/plants/tree/quechr/all.html
  - California Black Oak (*Quercus kelloggii*) at https://www.fs.usda.gov/database/feis/plants/tree/quekel/all.html
- CALFIRE Oak Woodlands Resource Management page at https://www.fire.ca.gov/programs/resource-management/resource-protection-improvement/wildfire-resilience/forest-stewardship/oak-woodlands/

GSOB Management

- GSOB information clearinghouse and current infestation status in Southern California at https://GSOB.org
- UCANR's Integrated Pest Management program Pest Note on GSOB at https://ucanr.edu/sites/gsobinfo/files/159957.pdf
- US Forest Service Forest Insect and Disease Leaflet on GSOB at https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/stelprd3833276.pdf
- UC Riverside's Center for Invasive Species Research GSOB information sheet at https://cisr.ucr.edu/invasive-species/goldspotted-oak-borer
- CalInvasives California Plant Pest description of GSOB (from UC Berkeley's Calflora program) at https://www.calflora.org/entry/pathogen.html?id=pth27
- Find a licensed or certified pest control professional to apply GSOB-controlling insecticides to healthy, high-value trees only at https://ucanr.edu/sites/gsobinfo/About_GSOB/Management_Options/#Find_A_PCA and find a certified arborist at https://www.treesaregood.org/
