

Youth Experiences in Science Project is looking for **TEEN TEACHERS**

Make a Difference as a Teen Teacher

Join the YES Project and you'll have the chance to positively impact your community and contribute to the education of elementary students.

Benefits:

- Contribute to your community
- Build new friendships and connections as you work in a team
- Earn valuable community service time
- Develop leadership skills
- Gain firsthand teaching experience
- Improve communication and public speaking skills
- Stand out on college and scholarship applications

Commitments:

- Attend YES training weekend (Friday evening & Saturday)
- Commitment for one semester
- 2-3 hours per week for lesson delivery and planning
- Attend YES Semester Check-in Meeting
- Participate in the YES Kit Restocking Party

Don't miss this incredible opportunity to make a difference while gaining valuable skills!

Training Dates:

September 29th 6-9pm & 30th 8:30-3:30pm

Lessons include:

Magic Bubbles
Snail Trails
Wee-cyclo-Saur-us
Wonderful Worms
and more!
