- Fantastic Field - day

In Fantastic Field day we had different stations. As King City Blue Ribbon Officers we were in charge of moving the groups around. I think overall members participated more than last year, they interacted a lot more with us as the emcees. The thing I think went wrong is with check in, it was very hectic I feel as well as the medical release forms seemed to be all over the place, most members did not have their forms causing it to stay really crowded. I think ways to improve is we can do the medical release form online that way it can get uploaded with the registration.
