UC 4-H Presentation Program
2025 4-H Presentation Cycle

Virtual Presentations

Public speaking is a cornerstone of UC 4-H program and virtual events offers more ways to participate. Regional and state 4-H presentations will have both virtual and in-person options. If youth are doing a virtual presentation, they should adapt their presentations to take advantage of the technology and handling technology problems. The revised **UC 4-H Presentation Manual (2021)** offers tips for youth presenters on presenting virtually (page 11).

Qualifying for Regional & State Presentations:

- Youth who earn a **blue** or **gold** award are eligible to progress from county to regional and regional to state.
- Youth do not have to qualify in a specific presentation format (in-person/virtual).
- Youth do not have to present in the same format as they qualified, in order, to move to the next event.
- Youth who qualify may move onto virtual or in-person formats for regional and/or state depending on personal needs and availability.
